I.S.T.C. Grid Stars and Coach

HAROLD ERRIGO

CHARLES BERRETTA

BEN ODDI

COACH G. P. MILLER

"I was well pleased in my boys," announced Coach George P. Miller of the Indiana State Teachers College when asked for a statement of his past football season.

Playing seven games, the Red and White, won four, lost two and tied one.

Harold Errigo, 200-pound tackle, was awarded second place, with a total of other Class A stars in the conference are:

Hollidaysburg, 180, Lewistown, 190; Jersey Shore, 142½.

Three teams were named in Class B. They are Curwensville, 202½; Somerset, 175; State College, 150.

The conference also selected second, third and honorable mention teams in Class B. Curwensville, Somerset, Ebensburg, Tyrone, Clearfield, State College, Bellefonte and Hollidaysburg.

A new rule requiring the home team to provide a qualified physician at all games.

Ben Oddi outscored its opponents 87 to 37 this past season.

Six Seniors Graduate.

By graduation six versatile gridders will be missing when Miller issues the call for candidates in the fall of 1937, players whose hard-fought play-ing is going to be difficult to replace. Three of the six were regulars, while the other three were first substitutes who saw plenty of action.

Players of the Oddi, Errigo and Berretta type are always welcomed at I. S. T. C. because it is boys with their ambitions to play the game that has given Indiana the distinction as one of the most outstanding teams in the state teachers college ranks.

Chuck Berretta hails from Exeter, Pa., away out east; Blackie Errigo was the fiercest star captain of Mc-

Knight's Curwensville team; Ben Oddi graduated from Bellefonte High School with one year's experience at St. Bonaventure College and lives in Sublime.

Such ready to "go" substitutes serve as Cressmore, King and Kohler will be hard to replace; it's boys of their type who really make up the backbone of the squad. Bob Cressmore hails from Portage; Don King, who was injured in the Edinboro contest and didn't see action thereafter, is a Punxsutawney lad; Earl Kohler comes down away out east, Kingston, the high school which won the eastern scholastic title this year.

Five Same Schedule.

Playing practically the same schedule next year, with possible an addition of one more state teachers college or a strong Class B college, the local talons aim to repeat its title claim of 1934 for the state title nest

TORCH OF HIGH IDEALS

Ray King, left, captain-elect of Minnesota's 1937 football team, has a lot to live up to if he equals the Gophers' mark as high as did Ed Widseth, All-American tackle and captain, right, is being passed in front of Andy Uram, halfback and alternate captain of next season's squad. c

Arkansas State Teachers eased its triumphant campaign with a 34-0 victory over Hendrix College due for its eighth consecutive victory. Western Reserve, slated to play its Cleveland rival, Case, the same afternoon, ran into a heavy snow and the game was postponed to next Saturday. Santa Clara is the only other eleven still has a game to play, meeting Texas Christian Dec. 12. Others undefeated and untied teams are Tennessee, Wesleyan, Arkansas, St. Lawrence, Middlebury, Carroll (Wis.), Kirksville (Mo.) Teachers.

"Dark Horse" Enters Billiard Tournament

CHICAGO, Nov. 30.—(AP)—The "dark horse" in the world's three-cushion billiards tournament is Sori Lasalvadge of Chicago who entered the meet only to fill a vacancy caused by the death of one of the sport's great stars, Augie Kieckhefer.

Lasalvadge, one of tournament competitors for eight years, won his first match in two starts last night, defeating the favored Art Thierolf of Chicago 50 to 30 in 44 innings. Thierolf is a former champion.

In the other match last night Kinjiro Matsuyama of Japan defeated Albin Holl of Chicago 50 to 42 in 45 innings, scoring a high run of nine.

Welker Cochran, who lost his first game to Otto Reiselt, will play Lasalvadge this afternoon and Jay Breckman, who defeated Lasalvadge, takes on Matsuyama. Jolley Lovejoy meets Tut Dennis and Willie Hoppe, the defending champion, plays Holl in the evening matches.

Minnesota Rated National Champion

NEW YORK, Dec. 1.—(AP)—Minnesota's place on top of the football football heap in 1936 is emphasized in the year's final Associated Press poll of sports writers.

The seventh ranking list gives the Gophers a margin of 25 points over Louisiana State. They were picked for the top place by 25 of 33 experts who cast ballots.

Over the seven weeks span, the Gophers were picked for first place four times. Pittsburgh, which climbed back to third place the first week, and Washington, the Pacific coast's Rose Bowl entry, also have been in the first ten every week.

The ending in the ranking poll, on the conference 10-9-8-7-6-5-4-3-2-1 basis, gave Minnesota 332 points for the week, Louisiana State 300 and Pitt 127. Alabama, which is reported as have the "inside track" for the Rose Bowl nomination, dropped from third to fourth with 218 while Washington was fifth with 216. Other leaders were Santa Clara, 125; Northwestern, 120; Notre Dame, 107; Nebraska, 68; Pennsylvania, 36; Duke, 32; Yale, 22; Dartmouth, 12; Duquesne, 12; Fordham, 11; Texas Christian, 10; Tennessee, 8; Arkansas and Navy, 6 each; and Marquette, 4.

Mathematically St. Vincent Champion

NEW YORK, Dec. 1.—(AP)—Backtracking the research and displays college football season within reach of players, coach and fan, the St. Vincent College Bearcats, of Latrobe, Pa., are the mathematical champions.

By mathematics — The case why Indiana may justly be given the college football. Scores of the 1936 season can be so twisted as to make a team of small home champions of the Nation. One nominated for the undisputed title is St. Vincent College of some 100 students located at Latrobe, Pa. Bowl's love the St. Vincent Bearcats won the crown.

The Bearcats beat West Virginia Wesleyan, 60; the Wesleyans beat Geneva, which beat Pitt, which beat Notre Dame, which beat Kansas, which beat Minnesota, which beat Washington, which won the Pacific Coast Conference, which beat Pitt, which beat Washington State, 6-0. By such process of elimination, the Bearcats could lick Minnesota, 62-0. They could whip the Washington Huskies, 75-0, and hold a touch meet at most Washington State's expense to the merry tune of 160-0.

If the Huskies knew what's good for them in the Rose Bowl business, they'll invite some "weaker" team like Louisiana State or Alabama and forget about the Bearcats.

More arithmetic—Similarly, by such figuring, Coach's Miller's Indiana State Teachers College team can well figure in the national championship. Indiana beat Lock Haven, 6-0; Lock Haven defeated West Chester, 19-7; West Chester defeated Waynesburg, 12-7; Waynesburg lost to West Virginia Wesleyan, 14-7, etc. (Answers etc.

'SHRINKING MAN' GAINS WEIGHT

Diet and Calcium Injections Start Recuperation for Nelson, 52.

MINNEAPOLIS, Dec. 1.—(AP)—The "shrinking man"—52-year-old Hans Nelson—cheerfully pointed to a 15-pound gain in weight as evidence today that he was ending a comeback.

The shrunken painter, victim of the bone disease, Osteomalacia, shrunken to stature from 5 feet 10 inches to 5 feet and to weights from 190 pounds to 140 in 12 years.

But corrective dietary and injections of calcium at the University of Minnesota Hospital have quieted him, he said, and to resume normal human proportions.

University of Minnesota medical authorities said Nelson is gaining strength but the shrinkage has not been definitely checked, they said he suffered two relapses during his year of treatment and was bed ridden for several months.

Osteomalacia is a softening of bone tissues due to theft of calcium, scientific phrases said. It may be due to a lesion of the parathyroid. Occasionally the gland becomes overstimulated so that calcium is passed off too rapidly to be assimilated by the bones.
